- Matriculation

SKILLS

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English (Fluent)
- Hindi (Fluent)

PROFILE

As a BTech Computer Science and Engineering student with a specialization in Full Stack Development, I am eager to apply my technical skills and knowledge to real-world projects. Proficient in both front-end and back-end technologies, including HTML, CSS, JavaScript, React, Node.js, and databases like MySQL and MongoDB, I am passionate about developing scalable, user-friendly applications. I am actively seeking an internship opportunity where I can further enhance my programming, problem-solving, and collaboration skills while contributing to innovative projects. With strong analytical abilities, attention to detail, and a drive to learn, I aim to be an asset to any development team.

TECHNICAL SKILLS

- Data Structures and Algorithms
- Front End Development :
 - HTML, CSS, JavaScript
 - React js
 - Responsive Web Design
 - Tailwind
- Database Management :
 - SQL (MY SQL)
 - No SQL (MONGO DB)
- Programming Languages :
 - C
 - JAVA
 - Python
 - Java Script
 - SQL
- Back End Development :
 - Node js
- Git Hub

PROJECTS

- Online Portfolio Website
 - Description:**
 - Developed a personal portfolio website to showcase my skills, projects, and achievements. The website is responsive and dynamic.
 - Key Contributions:**
 - Designed the layout and user interface using HTML/CSS, ensuring responsiveness across devices.
 - Implemented interactive features using javascript to display project details and skills dynamically.
- E-Commerce Shopping Site (Frontend Development)
 - Project Overview:**
 - Developed the frontend of an e-commerce shopping site using HTML and CSS. The project focuses on designing a responsive, user-friendly interface with a focus on product display, navigation, and customer interaction. The site was designed to be visually appealing, with attention to layout consistency, responsiveness, and accessibility.
